ANNOUNCEMENT ON SFIS ATHLETICS **SFIS ATHLETIC DIRECTOR - ERIC BROCK**

As the 2nd semester is on the way, the SFIS administration has determined that the SFIS learning model will remain in a remote status for the rest of the 2020-21 school year. Furthermore, the NM Activities Association has slated all sports to begin sometime this semester. **At this time the Santa Fe Indian School will not be participating in any Fall, Winter or Spring sports in the 20-21 school year.**

The NM Activities Association has granted an exception for our SFIS student athletes to participate/try out for athletics at their home district school while maintaining their enrollment at SFIS for the 20-21 school year. This will be for all sports that SFIS normally would offer during the school year.

The home district school is determined on the address on file at SFIS. Students and/or parents will need to contact your home district school for information regarding the start of the sport of interest.

The SFIS campus remains closed to students and a re-open date has not been finalized.

The campus is currently closed to only essential staff working on a limited basis to limit the number of persons to person contacts.

This decision does not come lightly and with support of our Governors, Tribal Leaders, Board of Trustees and SFIS staff, the health and safety of students and staff are most important and remain critical to everyone.

If you plan to participate at your home district school you must notify the SFIS athletics department in writing (email) and if you have questions please email Athletic Director Eric Brock at efbrock@sfis.k12.nm.us or call 505-989-6350. Once notification is received, SFIS athletics can help in contact information for home district schools, athletic eligibility confirmation and access to physical forms if needed.
